Discussion & Activities

Review the story with your children. Use the image below to review the story in creative and unique ways that you know your child will enjoy. Use a Bible to read this story straight from God's Word as you review it. Encourage your reading-age children to practice using their own Bibles!

Discussion Questions:

Adapt and ask these questions to fit your children's ages and developmental levels.

1. Were the Israelites growing or shrinking in numbers? How did Pharaoh feel about that?
2. What did Pharaoh order the people to do with all Jewish baby boys?
3. Who found Moses in the basket on the river? What did she do?
4. How did Moses end up in the wilderness as a shepherd?
5. What crazy thing did Moses see? Who spoke to him and what did he say?
6. Who does God say He is? What does that mean?

Craft:

SUPPLIES

Paper, red/yellow/orange tissue paper or construction paper, glue/tape, leaves, crayons

CREATE

Have your children go outside and find some leaves to create their own bush. Have them glue or tape their leaves to their paper. Then have them tape or glue the fire colored paper around the bush. Next, your children can color or draw around the bush. They can write "I AM" or draw Moses. Talk with your children about how powerful God is and remind them of the promise He gave Moses - "I will be with you." God wants to be with us too!

Prayer of Blessing

As you lead into the blessing, invite the kids to repeat after you and speak the blessing all together.

May you always know (repeat)
that the one true God (repeat)
is I AM. (repeat)
He loves you (repeat)
and nothing (repeat)
will ever change that. (repeat)
Amen. (repeat)

Then pray this blessing over them.

(Child's name), may you know God more and more each day. May you always follow Him and trust Him. Amen.
